Cousins & Co.

WEBSITE SHOWCASE - REVIEW COPY

THE BRIEF

Organise fencing, garden and property services for a Berkshire business, with a clearer service structure and visible enquiry options.

01
Choose a service

02
Understand next steps

03
Use a contact route

VALUE ADDED

- Services grouped into scannable sections
- A simple explanation of the enquiry process
- Phone, WhatsApp and email-app options surfaced

FEATURES IN THE BUILD

- Responsive service-led page structure
- Six service cards covering outdoor/property work
- Three-step explanation of how enquiries progress
- Phone and WhatsApp links in the page
- Email-app quote form: not a server-side backend
- Mobile contact bar and about/contact sections

EVIDENCE, NOT ASSUMED RESULTS

The existing build lists fencing, gutter cleaning, pressure washing, garden maintenance, clearances and hedge care. Its example ratings/reviews are not client testimonials and are excluded from this case study.
